BANGALORE.

8. Market well supplied.

9. Standing crops are reported to be in good condition. The recent rains have received them. Horse gram and other pulses are being sown. Almost all the tanks have received about 2 months supply of water.

10. Prospects of the season have improved.

11. Public health generally good.

12. Cattle healthy. Water and fodder sufficiently available.

KOLAR.

8. Market well supplied.

9. Standing crops are reported to be in fair condition except in some parts of Kolar Taluk where crops are said to be withering for want of sufficient rain. Kulthi and Hutchellu in Kolar, Bowringpet, Mulbagal, Sidlaghatta and Srinivaspur are being sown and no crops harvested during the week.

10. Prospects of the season are encouraging. Rain has fallen in almost all the taluks in the District except Kolar where the rain was not sufficient for the withering crops.

11. Public health generally good.

12. Cattle healthy. Water and fodder available.

TUMKUR.

8. Market well supplied.

9. Standing crops are reported to be in fairly good condition in all the Taluks as the rainfall during the week was beneficial to them. Paddy in Gubbi and Turuvekere; sugar-cane in Tumkur, Gubbi and Kunigal Taluks; gidda ragi in Pavagada Taluk; black and green grams and gingelly seeds in Chiknayakanhalli are being harvested.
